COPY TO READ AS FOLLOWS: (Attach all logos, trademarks, color samples, etc.)

SUBMITTING ARTWORK

ON DISK: Artwork should be submitted on the following PC/MAC formatted disks: CD or DVD. Please consult our Exhibitor Services Department for other formats.

VIA E-MAIL: (Compress large files before e-mailing: see below for file types.) Artwork should be e-mailed to: service@hollins-expo.com

FILE TYPES: We can accept the following file types ONLY:

- .eps (Encapsulated Post Script)
- .jpg (JPEG)
- .psd (Photoshop Document)
- .sit (Stuffit)
- .tif (Tagged Image Format)
- .zip (WINZIP)

When submitting a raster file, the optimal resolution is 150 dpi for a 1 to 1 output ratio. Depending on the scale, lower resolutions may result in a decrease in image quality and/or increase in setup charges. The higher the resolution, the better the final output.

HARD COPY:

- Send CAMERA READY artwork ONLY.
- Include PMS colors.
- Include registration marks and crop marks if applicable.
- Artwork MUST be clean and sharp to obtain an accurate, detailed reproduction.
- Photocopies, faxes, letterheads and business cards are NOT acceptable.

Artwork not following the above specifications will delay the job processing time and increase your final cost.

ORDERING TIPS

- On your disk, indicate the disk format (MAC or PC), file type (e.g., .eps, .jpg) and compression format (e.g., .zip, .sit). Mark the disk with your company name, event name, contact person and telephone number.

- Include a printed color copy of artwork and PMS colors.

- All files should be scaled proportionally to the final output size.

- All text should be converted to curves, or embed fonts if possible.

- Indicate output size(s) and quantity of each.

- Include a complete list of the files on your disk or e-mail and specify the file(s) you wish to output.

- Remember to order in advance to save time and money. Orders received after the deadline date or without payment will be charged at "Standard Rates".

- Should you need any additional assistance, please call our Exhibitor Services Department.
The cleaning services provided by the exhibit hall include only a general sweeping of the aisles. Any cleaning services required within your exhibit space, including disposal of debris generated during set-up, is your responsibility.

EXHIBITOR APPOINTED CONTRACTOR REGULATIONS

An Exhibitor Appointed Contractor is any contractor other than the Official Contractors appointed by Show Management. Exhibitor Appointed Contractors typically provide services such as exhibit installation and dismantling, floral, photography, audio visual, display rental, display house services, etc. You, the exhibitor, must notify HOLLINS in writing, no later than 30 days prior to the first day of move-in, of your intent to use an outside contractor. You must furnish the name, address and telephone number of the contractor.

The following rules have been established to insure the proper operation of the show and the satisfaction of the participants.

1. You may not use a utility service contractor (electrical, telephone or plumbing) other than those officially contracted for by Show Management.

2. You may use an outside contractor to install and dismantle your display but may not use an outside drayage contractor.

3. It is your responsibility to provide the Exhibitor Appointed Contractor with information pertinent to the installation and servicing of the exhibit; e.g., utilities, service order forms, installation and dismantling dates, target dates, shipping instructions, labels, display regulations, work passes, etc. You agree that you are ultimately responsible for all services in connection with your exhibit; including freight, drayage, rentals and labor.

4. The Exhibitor Appointed Contractor shall have the right to provide services requested by you. However, the Exhibitor Appointed Contractor shall conform to the following rules and guidelines.

   A. The Exhibitor Appointed Contractor shall use only his or her own bona fide full-time employees on the show floor.
   
   B. The Exhibitor Appointed Contractor shall have a valid work order from you in advance of the show installation date, and shall be prepared to present this upon request at the show.
   
   C. The Exhibitor Appointed Contractor shall not solicit business on the show floor. Work will be allowed only on exhibits for which prior notification has been received and approved.
   
   D. The Exhibitor Appointed Contractor shall have in his or her possession, and have a copy on file with HOLLINS, a public liability and property damage insurance policy naming Show Management, HOLLINS, the facility and other particular parties that may be required, as the insured in the amount specified by the facility or $2,000,000.00, whichever is greater. This information shall be on file no later than 30 days prior to the first day of move-in.
   
   E. A letter shall be provided to HOLLINS, no later than 30 days prior to the first day of move-in, listing the exhibitors who have retained the services of the Exhibitor Appointed Contractor. HOLLINS will keep this information confidential.
   
   F. Prior to starting work, the Exhibitor Appointed Contractor shall have all business licenses, permits and workers compensation insurance required by the state, city governments and exhibit facility management, and shall provide HOLLINS with the evidence of compliance.
   
   G. Prior to starting work, the Exhibitor Appointed Contractor shall furnish HOLLINS with the names of all employees who will be working in the exhibit hall, as well as the names, addresses and telephone numbers of key executives for emergency contact. Upon notification by you of your intent to use an Exhibitor Appointed Contractor, the contractor will be supplied with the appropriate forms for response.
   
   H. Prior to starting work, the Exhibitor Appointed Contractor shall obtain badges from Show Management and HOLLINS. Anyone found not wearing the appropriate badge will be required to leave the show floor.
   
   I. The Exhibitor Appointed Contractor shall be responsible for adherence to all rules of ingress and egress, and shall complete his or her work in a timely and professional manner within the prescribed time limits.
   
   J. The Exhibitor Appointed Contractor shall remain within the perimeter of the booth(s) he or she is erecting. Work will not be allowed in the aisles or other unused areas of the exhibit hall.
   
   K. The Exhibitor Appointed Contractor shall cooperate fully with HOLLINS and, when necessary, assist HOLLINS in meeting schedule requirements.
   
   L. The Exhibitor Appointed Contractor shall refrain from interfering with the efficient utilization of labor by HOLLINS.
   
   M. When necessary, the Exhibitor Appointed Contractor shall share with HOLLINS all reasonable costs related to his or her work; including the payment of union stewards, the restoration of exhibit space to its initial condition, etc.

5. Failure to comply with the terms set forth in this document will be grounds for the Exhibitor Appointed Contractor not being allowed to work in the exhibit hall, or work being stopped and the Exhibitor Appointed Contractor required to leave the show floor.

Boomer Cheat Sheet

For anyone that needs information on how Boomer operates, this sheet is your go-to guide for any FAQ.

1. What is Boomer?
   a. Boomer is explained as Amazon except for Exhibits. It is a site that any vendor/exhibitor or even third party decorators can access to buy the proper equipment and needs for their specific booth.
   b. Electric, AV, Rigging, IT, and Catering are the S groups that any exhibitor can order from.

2. Does every client have to use Boomer?
   a. No. The client can choose to opt out of providing Boomer to their exhibitors. We like to promote the link if the client believes the exhibitors will need anything for their booths.
   b. There are times when the show may not be large enough for the exhibitors to need a login.
   c. There are times when the General Show Contractor (Freeman, Brede, etc.) handles all of the ordering and the GSC sends the Exhibitor Hall Team all of the orders in batches.

3. Who are the main contacts that take orders and process payments on Boomer?
   a. For PSAV – Truman Cruickshank – main PSAV contact
   b. For IT & Catering – Gaylord Rockies Exhibit Hall Supervisors. Contact dependent on show.

4. What are the 4 main functions of Boomer?
   a. Receive Orders: A customer can log onto the storefront with security controls you define and place orders. If you receive an order manually, you can enter those orders into Boomer in Admin. Regardless of the source of the order, you have a full picture of the event.
   b. Process Payments: Boomer connects with major payment gateways so you can process payments.
   c. Prepare for the Show: Whatever your process for preparing for the event (running delivery lists, load lists, exhibitor lists, etc.) Boomer provides all the reporting you need to make sure you’re ready to satisfy your customers.
   d. Manage Show Site Tasks: Access Boomer through a web browser on the show floor to take new orders, generate work orders or labor tickets.

5. What is needed to make sure Boomer works properly?
   a. Show name and dates: This is the first thing we need in order to create the show in Boomer. Only the Gaylord Rockies Exhibit Hall team can create shows and modify the below information in Boomer.
   b. Contractor Guide dates and times: Once we have the contractor guide, we input those dates and times into the event creation page so that all of the description formulas can be filled and correct for all exhibitors to see.
   c. Exhibitor List: Once we receive the exhibitor list, we import that list into the specific event contacts. From there we send what is called an email campaign that creates a login and temporary password for each contact imported so that they can access the site and order what is needed.

6. What if the client does not want all the services we offer to be offered to the exhibiting companies?
   a. That is o-okay. We can go into the Admin side of Boomer and shut off any service that they do not want to be an option.
   b. To add on to that – we can also go in and modify any product that is in Boomer to reflect any concession discounts that need to be applied to a specific show.

7. What is the process for show site orders?
   a. For any exhibitor that needs to order a service on site, they are to contact the Gaylord Rockies Exhibit Hall Supervisor assigned to the show or the MOD for PSAV. (Phone #’s: EH – 720.610.1565 // PSAV – 872.769.8162)
   b. Payment must be taken before the service can be provided.
   c. For any last-minute catering request, the approval will depend on the item that is being requested.

   For example: a pop-up coffee request is doable. An entire spread of pastries or cheese and crackers may not be.

   *(For any catering requests – the exhibitor is to contact the Exhibit Hall Supervisor assigned and the Supervisor will work with the kitchen to see what can be arranged)*
