### **ABSTRACT**

The abstract should be one paragraph and is strictly limited to 150 words. The general format of the abstracts will follow the same formatting requirements as WSC proceedings papers. The title will appear in **BOLD UPPERCASE** text. Author name(s) and affiliation(s) appear next. Please do not include any keywords. For specific formatting instructions on the title, author information, running head, margins, etc., please refer to the appropriate MS Word or Latex instructions/sample papers available from the WSC Author Kit on the WSC website <http://www.wintersim.org>. This one paragraph abstract will not appear in the final program. Please follow the guidelines herein when preparing your abstract. Failure to do so may result in an abstract being rejected, returned for appropriate revision, or edited without your knowledge.
